Note: Model of execution of academic programme..

(1)Classes will be taken by teachers from the faculty of Ayurveda after proper coordination with concern faculty and implementing authority.

(2)Accommodation (i.e. class room/hall)for arranging classes will be responsibilities of concern faculties those who conduct main courses as there are no such facilities i.e. class room/hall can be provided by faculty of Ayurveda.

Agenda No. 3: To consider the mode of teaching and method of examination along with procedures of evaluation.

All members present in the meeting of the Faculty of Ayurveda discussed in pros and cons regarding modalities for implementation to take classes and conduct examination along with evaluation procedures considering the huge numbers of students across different faculties situated in different locations.

Resolution No. 3: The meeting after thread bears discussion unanimously resolved and recommend that the classes be conducted by online mode. The methods of examination need to be conduct based on online methods through MCQ pattern. The matter may seriously be considered by component authority of the University for Accord Necessary Approval.

The meeting ended with vote of thank to the Chair.
